Dorayi Karama, Karshen Waya, Kano State, Nigeria

Mobile: +234 906 065 0170 / +234 808 222 3011

Email: mohdmadam262@gmail.com

Profile

A focused and ambitious Computer Science student with a strong interest in web development, software engineering, and technology innovation. Skilled in computer applications, database handling, and front-end programming. Dedicated to learning new technologies, solving real-world problems, and working effectively both independently and as part of a team.

Career Objective

To build a successful career in computer science through innovation, creativity, and continuous learning. I aim to contribute to technological advancement by developing efficient software solutions that address modern-day challenges.

Education

Northwest University, Kano

Bachelor of Science (BSc) in Computer Science — Level 3 (Present)

Government Arabic College, Gwale (GAC)

Senior Secondary School Certificate (WAEC & NECO – 9 Credits), 2018 – 2021

Aminu Kano Community Commercial College (AKCCC)

Junior Secondary School Certificate, 2015 – 2018
